"Student Night 2007"

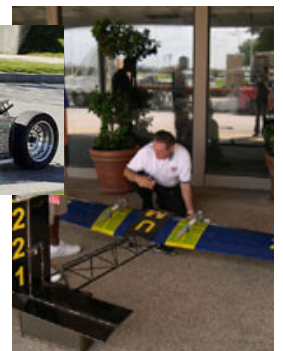

Vehicle displays followed by
Student Chapter Presentations

Tuesday, March 27th

Our keynote speaker: Mr. Rich Teerlink

Students: from MU, UWM, MSOE, UW-Madison, Michigan Tech... will present BAJA, Formula, Clean Snowmobile & Electric Hybrid vehicles for viewing on the grounds at the Marquette University Alumni Memorial Union

Time: 4:30p vehicle walk-around, 6:00p dinner, 7:00p keynote address & Student Chapter presentations

Location:

**Marquette University Union
1442 W Wisconsin Ave
Milwaukee, Wisconsin 53201**

Next month:

**Rolls-Royce,
tentative location: Milwaukee Mile**

TONIGHT's PRESENTATIONS:

The Milwaukee Section is always delighted to provide time to our students so they can "have the floor" to present on what's happening at the colleges. Tonight is "STUDENT NIGHT" and our Student Chapters will be at the MU Alumni Memorial Union grounds to update attendees regarding the vehicles they have been working on. The Formula, Baja, and Future vehicles will be on display, as Marquette hosts all Student Chapters within our section. You might even see a plane or a snowmobile on site. The student teams will provide a "walk-around" of the vehicles and later talk about their other ongoing projects. Formal presentations will be after dinner.

Please make plans to join us at Marquette University on Tuesday, March 27th, for the SAE Milwaukee Section **STUDENT NIGHT 2007**.

Our Keynote speaker for the evening will be Rich Teerlink, former Chairman, President and CEO of Harley-Davidson Motor Company. Rich will share his insights on the world market, today. This time and experience has always proved to be of great value to attendees.

SAE is sponsoring a **Career Session** at 5:30pm, presented by Dale Wiza, SAE Milwaukee Past-Chair/Prof. Engineering Placements, Inc. Please join us at Marquette for the events.

The Lunda Room in the Marquette Union building is the site of tonight's dinner and all the presentations which follow.

- - - EVENT AGENDA - - -

Registration/displays:	4:30 p.m.
Dinner:	6:00 p.m.
Open Meeting:	7:00 p.m.
Presentations:	7:15 p.m.
Q&A / Adjourn:	8:15-8:30 p.m.

- - - DINNER - - -

MENU: buffet style

DINNER PRICES:

SAE Members / spouses:	\$20.00
Retirees:	\$15.00
Guests / Non-members:	\$25.00
Students w/ID	\$10.00

Dinner will be catered by Marquette and include: Chef's Choice Pasta with two sauces, Alfredo Sauce and Creamy Tomato Sausage Fennel Sauce, served with a crisp romaine salad tossed with croutons, parmesan

cheese and Caesar dressing. Marinated Antipasto salad, garlic bread and tiramisu, coffee, tea, milk, soft drinks, or bottled water will be provided.

Registration:

Please make dinner reservations with a charge card online at <http://milwaukee.sae.org>.

Pay-at-the-door registration for those without web access is available by phone using the SAE Information Line (414-687-3032). “No-shows” with reservations will be billed.

Registration deadline: 11:00pm – March 25, 2007

Please note: 50-Year Members are entitled to 1 annual free dinner... call *SAE Milwaukee* at (414) 687-3032

The **SAE Milwaukee Section** would like to thank, and welcome **Graphics Systems Corporation** as a donating sponsor.

Graphics Systems is the leading provider of **SolidWorks 3D CAD products** in Wisconsin and Illinois. Graphics Systems will assist your company in implementing new technologies to streamline product development and Design Better Products. Come to Graphics Systems for sales, demos, training, service, and support.

- Chairman's Note -

I'd like to thank Dr. Bob Ash for his talk on the history and accomplishments of the Wright Brothers. Dr. Ash presented the material as though he once worked right alongside Wilbur and Orville. We learned that there has been a tremendous amount of work completed to replicate the flyer's exact specifications through available sketches, pictures and a few badly aged parts. Using wind tunnel testing the flyer's propellers and flight characteristics have been measured and documented in great detail. The aerodynamics of the flyer continues to be studied and the mix of history and engineering is amazing. Do you realize that the Wright's first flyer had a 2 mile an hour window for take off? Amazing that the Wrights could control that aircraft successfully! Check out www.saemilwaukee.org for Dr. Ash's presentation. The Secrets of the Wright Brother's history have now been uncovered for the Milwaukee Section!

We have submitted the list of names for your 2007-2008 Board Members to SAE National. You will see the formal notification at our next member meeting and on our website. I would like to thank

these people for their important contributions to our section. Board positions go far beyond the chairman and treasurer roles. We have needs in many areas where we could utilize your talents, for example an event photographer or someone interested in working with our website. We welcome help from our membership, from high school students to retirees. Please send me an email or give me a call and I can talk with you further about the details.

Please consider attending our member meeting this month. It's our traditional "Student Night", and will be held this year at Marquette University on Tuesday, March 27th. Students from our collegiate chapters will be displaying their SAE student projects and will be eager to talk with you and answer questions. If you have a high school student, a son or daughter interested in engineering, this meeting is an excellent opportunity to speak directly with student team members about their engineering education and experiences.

If you are an employer looking for engineering talent this meeting is also for you. Our guest speaker will be Mr. Rich Teerlink, former Chairman, President and CEO of Harley-Davidson. Rich will share his insights on the business world with students and attendees alike. Don't miss it.

Please continue to visit our Section Website at www.saemilwaukee.org. If you're a member and would like to post an announcement please contact me. Or, if you would like to find out more about having your company sponsor corporate advertisements please give me a call, too. The website is our #1 communication tool with our members. Please visit often. Finally, please make sure that your personal SAE information is up to date with National and that your current email address is included. Most of our correspondence is via email. I want to be sure that we are reaching all of our members.

Joe Sagat
Milwaukee Section Chairman

Meeting Sponsorship

We wish to thank the following organizations for their continued support of the Milwaukee Section:

**Waukesha Engine
Graphics Systems Corporation**

For more information on becoming a sponsor, please contact the Milwaukee Chairman, Joe Sagat via email: j.g.sagat@n.a.modine.com or over the phone (262) 636-1362.

**To make reservations for this or any Milwaukee Section Event:
Charge your reservation over the web: <http://milwaukee.sae.org>
CALL and pay-at-the-door: (414) 687-3032
Milwaukee Section info: <http://saemilwaukee.org>**

For more information on AWIM, call: 724-772-8514, and ask for Darlene Geweth
email: awim@sae.org internet: www.sae.org/foundation/awim

To be added or removed from the SAE email list, please send an email to mailto:mark.de@email.sae.org with "ADD TO SAE" or "REMOVE FROM SAE" as the subject line
